

FLEXVENT™

SLIDE-IN WITH DOWNDRAFT VENT SYSTEM AND FIRE SUPPRESSION

Elevate your serving line by adding a Vollrath® FlexVent™ slide-in with downdraft vent system and fire suppression.

This slide-in unit provides unparalleled flexibility for presentation cooking by eliminating the need for a bulky exhaust hood. The self-contained unit is both sophisticated and practical accommodating a variety of electrical cooking equipment – from induction ranges, griddles to sandwich presses, and even fryers.

The included shelf is adjustable to fulfill a variety of height requirements that suit different equipment, ergonomic needs, and health code requirements. Ideal for presentation cooking, this UL Recognized and UL Classified slide-in will fit seamlessly into your custom serving line for an aesthetically pleasing look.
