

VOLLRATH®

CARBON STEEL COOKWARE

Handles the Heat Without Weighing You Down

An exceptional choice for durability and versatility made in the USA, carbon steel handles the heat, for stir-frying and searing like no other. Available in natural or nonstick finish, it's compatible with all ovens, grills, and cooktops, including broiler and induction — yet it's lightweight and easy to handle, day after day, dish after dish.

Carbon Steel Fry Pans
