HOT, COLD, FROZEN MODULAR DROP-IN

One Drop-In, Endless Possibilities

Drop in for a hot entree, salad and dessert — all from the same serving system. You'll love how this versatile drop-in fab component streamlines your service line, with independent wells that warm up, chill out and hold frozen foods. All at once, with the touch of a button. Drop it into your countertop or 4- or 6-Series serving system and see how freshening your buffet equipment has never been easier.

Hot, Cold, Frozen Modular Drop-Ins

The Vollrath Hot, Cold, Frozen Modular Drop-In is a versatile, space-saving solution built to adapt to your menu. With independent temperature control for each well, durable stainless steel construction, and energy-efficient features, it delivers reliable performance for hot, cold, and frozen items while streamlining your foodservice operations.

- Rugged 18-gauge, 300-series stainless steel construction for durability
- Independent well operation in hot, cold, or frozen modes
- Eco-friendly R290 refrigerant with a lower global warming potential
