4-QUART INDUCTION RETERMALIZERS & WARMERS

Engineered to Empower

Hassle-free heat. Exceptional energy efficiency. Now in a compact 4-quart size. Available in versatile countertop or streamlined drop-in models, Vollrath induction rethermalizers and warmers heat and hold food at ideal serving temperatures.

4-Quart Countertop Induction Rethermalizers

With a countertop design that's ready to use anywhere, Vollrath 4-quart induction soup rethermalizers take prepared food from chilled to hot, then hold it at the perfect serving temperature. Induction technology uses efficient electromagnetic energy to heat without the need for water, quickly bringing food through the HACCP "danger zone" to safe serving temperatures, maximizing quality and minimizing waste. New 4-quart size with eight presets is ideal for soups, sauces, and more.
