MIRAGE® INDUCTION RETHERMALIZERS

Engineered to Empower

Induction rethermalizers and warmers make it easy to heat and serve food at safe temperatures, without the need for water.

Mirage® Induction Rethermalizers

By combining high-quality craftsmanship with cutting-edge technology, Vollrath Mirage induction rethermalizers lead the industry in convenience, quality and reliability. Sensors, indicator lights, and temperature presets ensure an exceptional user experience and eliminate guesswork while heating cold prepared foods. Our contemporary lid design enables quick, convenient serving and neatly directs condensation back to the inset to maintain food quality. Trust induction for safe, accurate, energy-efficient rethermalizing of all your favorite food items.
