CAYENNE® LIGHT STRIPS

Cayenne® Light Strip shown with standard mounting tabs and standard 40W bulbs.

DESCRIPTION

Cayenne® Light Strips illuminate food serving display areas or food preparation areas.

FEATURES & BENEFITS

- Structurally engineered aluminum housing offers maximum strength with minimal weight.
- Standard light reflector directs maximum light to the display area.
- Available in either 40W standard or 40W LED equivalent display styles.
- 40W standard bulbs are shatter-resistant .
- 120V, single-phase.
- Optional additional sockets allow for more bulbs, providing enhanced and customizable lighting.
- Includes onboard toggle switch controls — located on the operator's left.
- 6-inch (15.2 cm) pigtail leads — located on the operator's left.
- Recessed dovetail channel allows for installation of Kool-Touch® decorative trim.
- Optional Kool-Touch® thermoplastic black trim. See back page for details.
- Easy-to-replace bulbs.
- Includes chain mounting tabs and a set of 1-inch (2.5 cm) top mounting brackets. Alternate mounting options sold separately.
- One-year parts and labor warranty.

NOTE: All light strips are custom ordered and therefore cannot be cancelled or returned per Vollrath terms & conditions.
