

HEAVY-DUTY EQUIPMENT STANDS

DESCRIPTION

Vollrath® Heavy-Duty stands are intended to safely support foodservice equipment (for example, Vollrath gas griddles, charbroilers, and hot plates) with corresponding widths. These carts are meant to be stationary, but allow some mobility for flexibility in your kitchen operation or to simplify cleaning and create a reliable workspace anywhere. An included tethering kit allows you to secure the stand to the wall to prevent unintentional movement.

Due to continued product improvement, please consult vollrathfoodservice.com for current product specifications.
