6-SERIES VELOCITY ADJUSTABLE BREATH GUARDS

EASY ADJUSTMENT: Simple push-button mechanism enables single-person adjustment

EIGHT PRE-SET POSITIONS: These accommodate NSF, full-serve, self-serve and cleaning position and ensure consistent spacing across multiple units

VISUAL NSF POSITION INDICATION: Shows when breath guard is in NSF position and eliminates the need for measuring

SEVERAL STYLES: Available in single-sided buffet, double-sided buffet or cafeteria styles

MOUNTING CHOICES: Above-counter flange mount (standard) and below-counter mounting (available)

SHIPPING OPTIONS: Ships knocked down (standard) or assembled (available)

NO PLASTIC: Stainless steel construction ensures no plastic parts to break and a consistent aesthetic of all components

HEAVY-DUTY TUBING: 11-gauge stainless steel tubing enables 96 inch span without the need or a center post

TEMPERED GLASS PANELS: 3/8-inch tempered (standard), 1/2-inch (available)

ADDED STABILITY: Welded mitered joints increase structural integrity
Eight pre-set positions, promising versatility and consistency, and the simple adjustment mechanism allows one person to make adjustments quickly and easily.
